

# The Benefits of Connect

## Lower healthcare costs

Choosing a high-quality, fair-priced facility for any of your upcoming medical procedures is one of the many things your Connect Advisor can help you with. Get connected with your Advisor to find out where you can get the best care for the right price. Plus, you might also have the opportunity to earn rewards for visiting a recommended facility.

## Health and wellness management

You can count on your Advisor to help you manage your health. From reminders for important screenings to additional benefits available to you, your Advisor provides proactive outreach to keep you informed so you can make healthcare decisions with confidence.

## High-quality, personalized care

As a Connect Member, you have your own personal Connect Advisor who works with a team of experts, including claims specialists, health coaches, pharmacy experts, and case managers. Your Advisor is on call to help you and your family take advantage of your medical benefits to receive high-quality care for the best price possible.

## Support when you need it most

Have a pharmacy question? Need help communicating with a doctor? Call your Connect Advisor, who can get you in touch with the healthcare system and is ready to intervene on your behalf.

## No more confusion

Claims and EOBs can be confusing. Your Advisor is here to help. They can answer any questions you may have about your benefits package, medical coverage, and more.
