

Stay connected with your Healthgram Member Portal

Your one-stop resource for:

- ✓ Viewing claims and online EOBs
- ✓ Tracking program compliance
- ✓ Finding an in-network doctor
- ✓ Comparing healthcare costs
- ✓ Your Personal Health Record
- ✓ Helpful wellness resources

Have a look around

Your Healthgram Member Portal makes tracking your health and wellness easier than ever before. With helpful applications and a mobile-friendly layout, your portal provides you with everything you need to manage your care in one secure location, from claims information to managing your conditions and finding a doctor. Allow us to show you around:

- 1. Health Plan:** All of your health related records secured in one place: claims, plan documents, eligibility, EOBs, deductible information, health savings accounts and Rx data.
- 2. Portal Alerts:** Stay informed of compliance requirements, document due dates and health alerts right from your dashboard.
- 3. Incentive Program:** Set personal wellness goals and track compliance with your company's healthtrax program
- 4. Find A Doctor:** Search for an in-network provider at the click of a button.
- 5. Health Record:** View lab results, care action plans and healthresources.
- 6. Preventative Care:** Track and receive alerts regarding your recommended screenings.
- 7. How Can We Help?**
 - Compare healthcare costs with Healthcare Bluebook
 - View your Summary of Benefits
 - Check on a claim status
 - Get a copy of your ID card
 - Contact us with any questions
- 8. healthconnect:** Contact your healthconnect Advisor with any questions you have.
- 9. Appointments:** View upcoming or schedule appointments at your clinic location or with your Health Coach.

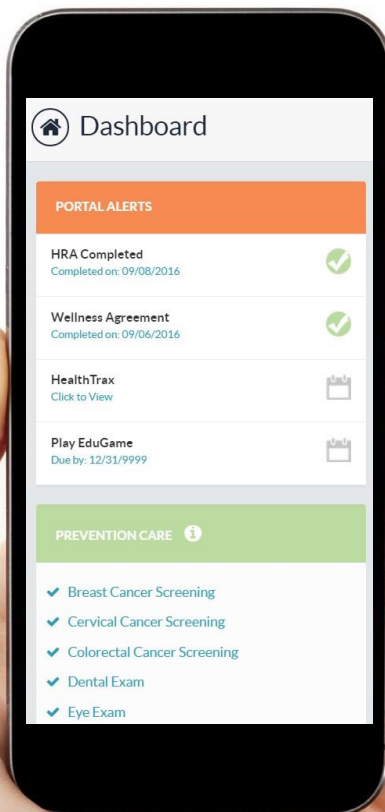

Note: Not all modules may apply to your customized dashboard.

Care that goes with you

Your Healthgram Member Portal is completely mobile-friendly. For those busy, on-the-go moments, your complete healthcare records are securely accessible on your mobile device and available at your fingertips. We've made it easy to:

- Complete your online HRA from anywhere
- Verify benefits quickly while at your provider's office
- Complete Edugame requirements whenever it's convenient for you
- Receive important Health Alerts right to your phone
- Keep track of your wellness goals via your FitBit
- Manage compliance with your wellness program with healthtrax

Mobile integration makes managing your healthcare easier. As long as your mobile device is with you, your personal health records are too.

Get up and running

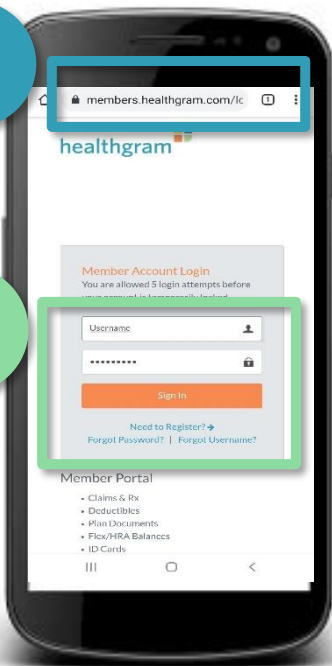

To register for your Member Portal, follow these simple steps:

1. Visit www.healthgram.com and click "Account Login" then click "Members".
2. Click the "Need to Register?" link directly below the login button.
3. Enter the required security information.
4. When registration is complete, you will be routed back to the home screen.
5. Simply enter your username and password and login!

Access your ID card on your mobile device

You can access your ID card at anytime via a mobile device. Use the simple steps below to view your ID card on your smart phone or tablet.

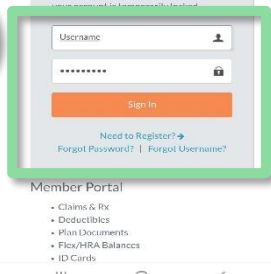

1

Step 1:

On your mobile device, visit: www.members.Healthgram.com

2

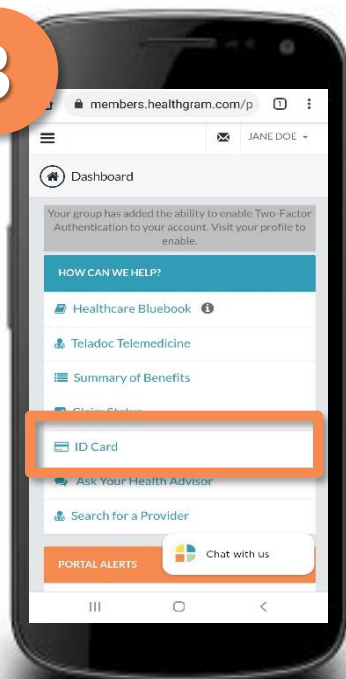

Step 2:

Enter your username and password and then press the “Sign In” button.

If it’s your first time logging in, click the “Need to Register” link to set up your account.

3

Step 3:

Once you’re logged in, select “ID Card” from the menu displayed on your screen.

4

Step 4:

Your ID card will then display on your screen.
